

AVC's Design Team Seeks Volunteers!

Designing AVC's Future
2017-2018

Last year, AVC celebrated 40 years of serving amazing students, families and districts! As we move into our next generation, AVC seeks your participation in an inclusive, comprehensive Design Team that will help to craft goals for the next few years at AVC.

In addition to AVC staff and member districts, AVC is seeking volunteers from our **students**, **former students**, and **families** to join our team as volunteers.

Participants will...

- have an engaging, collaborative **hands-on** experience
- provide **input** and **feedback** about current & future AVC
- **learn** about what it means to others to be a part of AVC
- work with teammates to find **solutions** and **inspiration**
- **contribute** to a successful future AVC

5 Thursdays

2:30-4:00

10/5, 11/2, 12/7,
1/4 and 2/1

+activities between
meetings

Assabet Valley Collaborative
28 Lord Road, Suite 125
Marlborough, MA 01752

Snacks Provided

Bring your ideas, hopes,
perspectives and energy to help
draft the design plan for the
next generation of AVC!
